

The SE-Cargo Series includes 10 models designed primarily for Frameless cabinets. All are equipped with undermount synchronized slides with over-travel and Soft Close.

Application

For Kitchen base cabinets ranging from 350mm to 600mm.

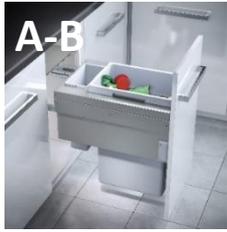

Advantages

- Undermount synchronized slides with Over-travel & Soft Close for smooth function and easy access to the rear bin(s).
- Side panels that completely cover the slides for an elegant finish.
- Weight capacity of 50KG (110 lbs) tested at 100 000 cycles.
- Integrated metal lid that can also be used as a shelf.
- ❖ 3-Bin model also comes with one single lid for a 13L Bin.
- ❖ Door mounting brackets are included and offer micro adjustments in all directions.
- ❖ Can be installed on 16mm (5/8") or 19mm (3/4") cabinet side gables.

Description

The SE-Cargo Series offers sleek design and smooth function for client satisfaction. Equipped with soft-closing undermount synchronized slides with over-travel, it will be easy to pull out the rear bins without moving the front ones. All systems come with an integrated metal lid for easy access to the bins in a single movement. This metal lid can also be used as shelf for extra storage space.
